President's Report

Hope a wonderful Holiday Season was enjoyed by all. Thanks to everyone present, the Holiday Party, on December 1, was a wonderful way to kick off the season in Barcroft. Music was provided by the talented Barcroft Band to accompany the voices of a diverse age group of neighbors singing their best renditions of holiday favorites. The audience was silenced by the amazing trumpet solo by Jack Turner. The children were thrilled when asked to come forward and play small instruments with a real live accordion player. The Grinch painted his face green and played his grouchy role well—too well for some unsuspecting children. No worries, his heart grew three sizes again this year. Luckily the party was early enough in the season to allow Santa to adjust his busy schedule. He showed up right on cue and delighted the crowd. Thanks to everyone for an amazing night of merriment with our friends and neighbors.

THIS MONTH'S MEETING: Thursday, January 5, 2006 -- regular monthly meeting at 7:30 pm at the Community House. Start the new year by sharing neighborhood news. Daniel Lopez, contractor for Cingular Wireless, will join us to discuss the citing of a telecommunication facility at the Arlington County Water Tank facility or at Barcroft Park baseball field.

Get the year off to a great start...
