Donna Anderson, Chairman

---

FEBRUARY MEETING: Feb 5, 1982, 7:30 P.M.

800 S. Buchanan Street

Program: House care on protection from dry rot and insects.

---

## PRESIDENT'S CORNER:

Should a CPR-trained community be our goal? Should we emulate Seattle with 1 out of 4 persons trained in CPR? This could be our goal and program. And add to this lifesaving training for swimming and first aid. The accidents on the 14<sup>th</sup> Street Bridge and on METRO bring home the importance of the need for all of us to be knowledgeable, trained and skilled in all of these aspects. Upgrading our existing skills and learning new skills of life-saving could be our new goals, and getting to know our neighbors through learning with them. Let me know your concerns while I check with training for our community at our community house.

Newspaper recycling/collection is up 33%; 1697 tons of waste newspapers were collected from July to Dec. 1981. In our area the collection days are the 1st and 3rd Thursdays of the month. Daily newspaper collection schedules are announced on a 24 hour recording at 558-2155. It is important to put them out on the correct day because of the litter problem. Newspapers may be deposited at the Resource Recovery Center at the Cherrydale Safeway parking lot, 3713 Lee Hwy. For street pickup, place newspapers in brown grocery bag or tie in bundles and place on curb by 6:30 A.M. with other refuse to be collected. If your papers are not picked up, call Public Works 558-2321. Remember, for every ton of paper recycled, 17 trees can be saved, and take the little trouble to prepare newspapers for recycling.

Your President,

Donna Paulsen Anderson
