From Your President:

NEW YEARS GREETINGS!! The Board of Directors of the Barcroft School and Civic League, YOUR community organization, wish you the very best in the New Year.

We had a festive Christmas Party - Old World Music. Imagine mandolins and a guitar playing Christmas Carols to sing by and old songs at your Community House which was trimmed with gala lights and Christmas decorations. Those who did not attend missed a remarkable occasion. After the music furnished by Al Copeland, Willie Lagan and Robert Harman, there were refreshments, candy canes for the children and music by stereo for listening and dancing. A Good Time was had by all!!

We will soon be welcoming another church to share our Community House.

JANUARY MEETING - Jan. 6, 1983 7:30 P.M. 800 S. Buchanan St.

Two years ago the citizens of Arlington approved a referendum for Parks and Recreation. The Park & Recreation Commission has reviewed all suggested projects and recommended eight (8) to the County Board. Part of their recommendation also is a request for input and comments on these by the various civic organizations. Our speaker for our January 6th meeting will present the eight (8) projects for our consideration and comments.

This is a great opportunity to be informed and have an active part in what is happening in Arlington!!

I would like to extend my thanks to Donna Andersong and Tonie Copeland for our beautiful Christmas decorations at our December meeting.

Phyllis Kinsey
