### NEXT MEETING

Thursday  
 February 3, 1983  
 7:30 p.m.

### REDEVELOPMENT OF SHIRLINGTON

Mr. Hal Glidden of Arlington County Department of Current Planning and Community Development will speak on the re-development of the Shirlington Shopping Center which is to take place over the next ten years. The land includes approximately 25 acres divided into 5 parcels that will be developed in phases. Each phase is to be approved by the County Board. The over all plan already is approved and the developer selected.

The revitalized neighborhood around Shirlington, particularly the town houses and condominiums along Walter Reed Drive and Arlington Mill Drive, warrant transforming the present area. Our proximity gives us an interest too!

Come to the meeting and bring a friend. Be an informed member of the Community. Barcroft School and Civic League presents programs of interest concerning local affairs.

\*\*\*\*\*

Since the last Newsletter, the School Committee of the Arlington Civic Federation, of which we are a member organization, the Arlington Council of P.T.A.'s have made recommendations to the School Board on the question of school consolidations after receiving input from their member organizations. Your voice is heard by joining and actively participating in these local groups.

Last month, Mr. Ernst, of the Arlington County Parks, Planning and Development Division said he will write up a summary of the discussion following his presentation to our civic group. There were a lot of voices in the Barcroft Community that were not heard.
