REPORT ON OUR OCTOBER MEETING: We had our annual candidates night. Incumbent State Legislator Warren Stambaugh and challenger Charles Viars spoke on a number of issues. Arlington County Board incumbent Ellen Bozman and opponent Richard Herbst defended their position on a range of local issues, including plans to upgrade Arlington Blvd. to express status and the future of Arlington Hall. The Barcroft group opposes any plan to locate police facilities in the Arlington Hall property and is pressing for broader evaluation of the Arlington Blvd. plans. Ann Noll and Pat Roach have been appointed as Federation delegates to serve on a committee with Congressman Wolfe on Arlington Hall.

NOTES FROM YOUR EDITOR: I have received a number of complaints in our area regarding trees that over hang the sidewalks, bushes that poke thru fences and cover a good portion of the sidewalks. This is a very dangerous situation and it would be greatly appreciated by all if these things would be trimmed before it is reported to the County.

There are also people who are deliberately taking their dogs into the school yard and permitting them to leave a mess behind. Our children play in this area and I am asking that people with dogs refrain from taking their dogs into the school yard.

Another complaint was that there is a motor-cyclist going through our neighborhood racing his motor and disturbing people. Would

appreciate it if this person, or persons, would be more considerate of others.

The last complaint received was that trash cans are left for several days on the sidewalks after the trash has been picked up, creating a hazard.

Let's be good to our neighbors. Thank you.
