NEXT MEETING: Jan. 2, 1986 7:30 P. M. 800 S. Buchanan St.

PROGRAM: Speaker: Terrance Onderick, Arlington Agency on Aging, will speak on the topic "Services Available in Arlington for Older People". This topic should be of great interest to anyone who is now, or who will be involved in the future with older people.

REPORT ON DECEMBER MEETING: We had a short business meeting. The Proposed Master Transportation Plan continues to be a problem. Nothing new was reported concerning Arlington Hall. Also, the Payne property has been resold to another developer. We plan no action regarding the Payne property as long as present approved plans and specifications are followed.

SANTA enjoyed his visit with the children. Next year, he hopes all the children in Barcroft will attend. The Wakefield High School Band, under the direction of John Pickeral, was excellent - as usual.

We hope you all have had a good holiday and are now planning to make our 1986 year a productive one.
