REPORT ON THE FEBRUARY MEETING: Eliner Schwartz presented our position on the Arlington Master Transportation Plan to the Arlington Civic Federation and received support for our position which is: "Arlington Blvd. should not be up-graded to Express status until a professional study is made of alternative traffic management solutions."

Pat Roach briefed us on the County Manager's Staff "wish list" for facilities they would possibly like to locate at Arlington Hall.   Those persons present were urged to attend a meeting, February 12th at the Holmes Building for a discussion of this list.   Barcroft was well represented at this meeting.
